U.S. Kids Golf Program Returns

Learning to play golf is a tremendous challenge for every beginner. For kids, the challenge is even greater. The length of the golf course and the complexities of instruction can be discouraging and possibly turn them away from golf forever. The Blanchard Golf Course has just the program you need to teach your child that golf is a game they can enjoy for a lifetime.

The 2nd Annual ACC Youth Golf Promotion will be held starting mid-June at the golf course. This week-long youth golf program is open to all youth ages 6 and up. Program emphasis is on teaching youth how to golf using clubs fitted especially for them. The emphasis is following a teaching program developed to teach the fundamentals of golf and that it can be a fun sport to participate in. Entry fee is \$49.95 and includes five 1-hour lessons, starter clubs, U.S. Kids golf hat, U.S. Kids T-shirt, and end of program parent/child tournament.

Call the golf course for more information and to sign-up your kids.

The program will be ongoing throughout 2003. There will be a YES orientation on Apr 22nd from 7-8pm at the Youth Center for both the teens and their parents. For more information call the Youth Center at 228-8484.

Imagine facing blindness, kidney failure, or amputation.

Now imagine you're nine.

Kids like Samantha deserve more to look forward to than daily injections and incurable disease. Although insulin can help, it is not the cure. In fact, diabetes kills one American every three minutes.

At last, there's hope. Research funded by the Juvenile Diabetes Research Foundation is closer than ever to a cure. But we can't do it alone. To find out how you can help, please visit www.jdrf.org or call 1.800.533.CURE.
